WHY A CARDOMINIUM

A SHOP THAT'S ACTUALLY YOURS.

Most of us wrench in a rented bay, a cramped two-car garage, or a driveway at 110 degrees. A Cardominium is a deeded garage condo built around the work: 20 foot ceilings for the lift, plumbing for the sink, and neighbors who speak fluent torque wrench.

DEEDED BAYS	CEILINGS	SQ FT & UP

BUILT FOR:

- Builders, restorers and their line of projects
- Weekend racers and track-day crews
- Collectors who prefer grease under the nails
- Anyone who has outgrown the home garage
- Man cave dreamers who want a hangout with a roll-up door

Anyone wanting an upscale showroom for their toys.

THE BUILD SHEET

BUILT TO BE BUILT OUT.

Every bay comes ready for the work, and most owners will still put some effort into setting up their space. We handle the hard parts so you can build it your way.

ELECTRICAL SERVICE
Service options to power welders, compressors and lifts. Available capacities to be confirmed.

20' CLEARANCE
20 foot ceilings, with room for a two-post lift or a mezzanine.

MINI SPLIT A/C
Pre-plumbed lines for a mini split. Wrench in July without melting.

HALF BATH STANDARD
Sink and toilet hookups in every bay.

FLOOR DRAINS
Standard in every bay, so washdowns and spills are easy.

24-HOUR ACCESS
Gated and camera-monitored, with access any hour.

AVAILABLE OPTIONS
Compressed air lines, lift installation, mezzanine and upgraded electrical.

THE FLOOR PLAN

PICK YOUR BAY.

Seven sizes, from 450 to 2,000 sq ft. Pick the one that fits your build.

SIZE	SQUARE FEET	BAYS	INTRO PRICE
